

```
1 import React from "react";
2
3 function Note() {
4   return(
5     <div>
6       <h1>Javascript And React.js</h1>
7       <p> This was an amazing bootcamp taken up by Shaurya Sinha we covered everything from
        scratch including javascript React.js, HTML.
8     </p>
9   </div>
10 );
11 };
12
13 }
14
15 export default Note;
```
